

INTRODUCING: SYNCRO

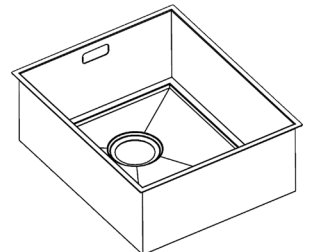

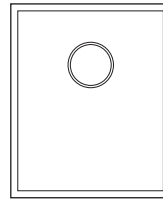

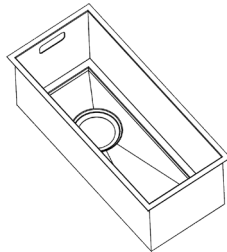

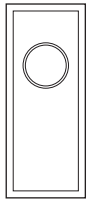

SYNCRO inlay sinks bring together high quality stainless steel sinks with multiple solid surfaces. We offer a luxurious alternative to your standard stainless steel sink. SYNCRO brings innovations to make your kitchen more hygienic and beautiful.

Using SYNCRO allows for the finished product to look like a steel based material clad sink. SYNCRO's inlay stainless steel sinks offer a seamless, integrated design that is less prone to leakage.

SYNCRO Sinks are handmade and produced to the highest manufacturing standards and is made from premium 1.2mm, 304 grade stainless steel.
